

## DJ DAN BLAZE - Terms and conditions

- \* All bookings are secured with a signed booking form and return of the signed form and a deposit. I will never make a booking in person at another event. Requesting a quote does not secure a booking.
- \* Unless otherwise stated I host all parties myself, in **very** rare cases if I need to arrange cover I only use established professional experienced DJs & Hosts. In which case you will be notified in advance.
- \* Any prices detailed on my website are based on bookings within 30 minutes drive from my home in Aylesbury. A fee may be added for events over this distance.
- \* Our Public Liability Indemnity up to the value of 10 million pounds is held with Hencilla Canworth Limited, Tel: 020 8686 5050, e-mail: mail@hencilla.co.uk. You can download a copy of this insurance certificate at [www.djdanblaze.com](http://www.djdanblaze.com)
- \* If you require an invoice to be presented on the night, please inform us otherwise one can be emailed to you.
- \* Equipment Set up time differs with the type of function but for most adults events we require access to the venue 60-90 minutes before the performance start time. Children's parties require access 60 minutes in advance of the performance times. Please contact us if this is a problem as this may affect the start time. An early set-up can be arranged however this will carry a cost.
- \* The agreed performance end time is strict but if you require the booking to go on longer than agreed this will be charged at £50 per hour before midnight, and £100 per hour after midnight. These prices are not negotiable. Extending an event is at the discretion of the host as following bookings may not allow us to alter timings at short notice.
- \* For many functions we supply a theatre effects fog or haze machine which contains scented fog fluid which is tested, to the best of our knowledge, to be safe for asthma sufferers and related respiratory problems. This can be used if the venue allows. Bubbles are only an option for outdoor events.
- \* When booking any event you will be responsible for supplying sufficient electrical power, we require a minimum of two 13amp sockets within 5 metres of the performance area.
- \* All events are assumed to be inside with sufficient protection from the elements, for events where equipment is required to be outdoors please inform us clearly as failure to do so may leave us unable to provide your entertainment.
- \* All events are assumed to be on the ground floor, with relevant parking and access for us to unload equipment. If this is not the case please inform us clearly as failure to do so may leave us unable to provide your entertainment.
- \* If your event is black tie or fancy dress please inform us in advance so your DJ can be dressed appropriately, otherwise smart casual is standard.
- \* Under no circumstances will any songs be played that our staff consider to be unsuitable for children, due to profanity or theme, when anyone under the age of 13 is present. This is our strict policy and will not be waived.

\* In the extremely unlikely event of theft of or damage to our equipment by your guests you will be invoiced with repair or replacement costs, to be paid with-in 90 days. Placement of culpability is solely our judgement.

\* Although all necessary safety procedures are followed by us, due to the uncontrollable nature of bouncy play, we cannot accept any liability for injury caused while children are using our inflatable toys. The inflatable 'bouncy castle' is 15 feet by 15 feet in width and length so your choice of venue must have relevant space. The bouncy party package is only suitable for under 30 children aged 5yrs and under.

\* If there are specific songs you wish played e.g. first dance at weddings, please write them clearly on the back of your booking form or send over a list as an e-mail. Please also note any special requirements or extra information you think we may need. A listing of our karaoke backing tracks can be viewed on our website.

\* We require access to all venues by van, you are responsible for ensuring all height restrictions are removed. Failure to do so may delay our ability to perform.

\* We may take photos or video clips at functions as a means of advertising our products and / or services online and in print but only by us. If you do not wish for us to use any images or video clips from your event you must inform us of this in advance via the booking form. Examples can be provided. A tick box is present on our kids party invites for parents to give their consent for you and us to take and share photos on social media.

\* Any images taken by our photo booth may be used in our marketing. Please contact us if you wish to purchase the copyright to images from your event. It is assumed that any children using the photo booth do so with their parents' consent and as such they may also feature in images taken by the photo booth which we may use in any form of marketing.

\* When permission for photo and video use has been given we will display a minimum of 1 A4 notice at events offering guests the chance to opt out of being featured in any photos or video clips used online.

\* Your booking form must be returned to us with the agreed deposit and all necessary parts of section 'a' completed, within 7 days to guarantee the booking date, otherwise we will open the night up to bookings again assuming you are no longer intending on hiring us. If this period needs to be lengthened in respect to charity, school or corporate functions, where the raising of cheques is necessary, we must be informed.

\* All online payments must have a reference code including the event date and your surname or business name.

A copy of these terms and conditions will be included as part of your booking form.

If you have any concerns relating to these statements please contact me to discuss.
