

DJ Dan Blaze booking terms & conditions

- * This is my full time job and I get fully booked up, months in advance, so please read this page carefully and understand my cancellation policy.
- * For all bookings you must pay an advanced payment as a booking fee to hold the agreed date and times. It is a payment to hold only the specific date and times you have booked. The booking fee will not be refunded or transferred to a new date for any reason if you cancel the booking on the date agreed.
- * Any booking cancelled, for any reason, within 28 days of the performance date will also be liable to pay the full remaining fee. Failure to pay in full will result in legal action in all cases to include recovery of costs.
- * Full remaining payment must be transferred online before the event or paid in cash when I arrive.
- * All online payments require a reference code, please use your invoice number or your surname. I cannot confirm your booking if the reference is just 'disco' or 'party' etc
- * To pay online my bank details are: Business Account: DJ Dan Blaze. Sort: 600131. Acc: 36555169.
- * I will contact you by email when you have confirmed both 1: the booking form details are all correct and you agree to these terms & conditions via the link www.djdanblaze.com/book and 2: you have paid the agreed booking fee. If you do not receive an updated invoice as a payment receipt within 48 hours, I have not received one of them and your booking is not secured.
- * Please let me know if you make additional advanced payments after the initial booking fee. I will send you an updated invoice after each payment as a receipt.
- * I host all parties myself, in the unlikely event that I require emergency cover I will only use professional experienced DJs & Hosts. In which case you will be given as much notice as possible. If I am unable to perform for any reason or find suitable cover you will be refunded to the maximum of the total paid to that point. If I cannot provide additional options for any reason you will be refunded only the total cost of that additional option.
- * Equipment set up time differs with the type of function. I usually require 60 minutes. Please contact me if this is a problem as this may affect the start time. An early set-up can be arranged but will carry a cost.
- * I require access to all venues by van, you are responsible for ensuring with the venue that any car park vehicle height restrictors are opened. Failure to do so may delay my ability to perform.
- * All events are assumed to be on the ground floor with relevant parking and access to unload equipment. If this is not the case please inform me clearly as failure to do so may leave me unable to provide your entertainment but the full fee will still be payable.
- * The agreed end time is strict. If you require the booking to go on longer, I charge £100 per hour. This price is not negotiable. Extending an event is solely at my discretion.
- * You are responsible for supplying sufficient electrical power, minimum 2 standard 13 amp wall sockets.
- * All events are assumed to be indoors. For outdoor events you must inform me clearly in advance as I will need to provide a gazebo and safety weights at an additional cost. Failure to do so may leave me unable to perform.
- * Under no circumstances will any songs be played that I consider to be unsuitable for children, due to profanity or theme, at any event where anyone under the age of 13 is present. This is my strict policy and will not be waived.
- * You are responsible for ensuring the size of the venue will accommodate the number of guests and my equipment. I will not be able to set up some additional options & add-ons if there is not a safe amount of space to do so, but the full fee will still be payable.

Kids Party Timings, Hints & Tips

Please don't put out loose balloons on the floor this always prompts balloon rugby and banged heads.

Candy floss giveaways are included free with kids birthday parties if you 'like' my Facebook page DJ Dan Blaze.

Please don't put out the food until the mid-way point, no entertainer can compete with a table of unlimited sweets, cakes & cookies.

Please don't put out chairs for older kids parties. Other than for food, there's no part where they'll need to sit.

You may want to consider banning the kids' mobile phones. We want them to get involved not film each other throughout.

I don't recommend using a Piñata as they involve waiting in line for a turn which can take ages and the scramble for prizes usually ends in tears. I will have to drop one of my games to run this.

TIMINGS: For the first hour I lead the group in my own brand of games, challenges, singing & dancing (with optional karaoke & games for older groups)

The birthday child is a team captain & they choose another captain. For joint parties they're both team captains! For under 5 yrs I may not use teams

At the half way point: You serve a drink & quick snack (I recommend hot dogs as they're quick, cheap and easy to tidy up, plus the kids love the novelty. I'll take care of serving your Ketchup with my legendary Ketchup guns!)

I keep the kids entertained at the table modelling giant balloon shapes for spot prize winners. Always including the birthday child.

Then you bring out the cake & candles. I'll lead the singing of happy birthday then I take them back for more games & challenges.

We end with a dancing competition in which they all win a candy floss prize. I rally them together for you to take some group photos.

Finally I swap the used candy floss stick for a hand wipe and an activity sheet

I'm happy to chat over any ideas you wish to discuss, but please understand I don't stray far from this very well practiced show plan as it works every time
